

What you can expect at Diva Las Vegas

The best way to describe Diva Las Vegas is to say it's a great opportunity to get away and be yourself for a while.

Welcome to Fabulous Las Vegas !

Diva Las Vegas is a VACATION, not a convention, and is quite different from the majority of the TG events you're likely to know.

No speakers, no talent contest, no pageant, no crowded feeling of a big communal closet, and no Rubber Chicken Banquet - we promise!

We do have a wide variety of activities of all types. Some you might expect at an event like this, others are quite unique and unusual.

Our annual Limousine Tour of the Las Vegas Strip is always a major hit!

Yes, ride in STYLE and enjoy the sights and scenes of Las Vegas!

The annual Diva Las Vegas Invitational is recognized as the world's first regularly-scheduled TG golf match.

Golfers of all backgrounds and all skill levels are encouraged to participate!

There are shows, shopping, sightseeing, side trips, daily brunch, daily happy hour, a pub crawl, social activities and the list goes on and on and on! Boredom is simply not possible!

But by far, many of your most memorable experiences at Diva Las Vegas will be the people you will meet.

They come from all walks of life, from all over the country, the continent, the world! All ages, all backgrounds, covering all points on the TG spectrum and then some.

Diva Las Vegas is an exciting yet relaxing getaway in the company of some of the finest people in the known universe!

We would like you to join us for this very special week.
